"Education is a progressive discovery of our own ignorance"

- Dr. Shikha Sahay

Chairman's Message:-

"Knowledge is liberating force and in our age it has metamorphosed into a democratizing force cutting across the barriers of prejudice and ignorance, smoothing out the various disparities between human beings. Knowledge has also come a long way, from being power to becoming powerful vision".

Career Mahavidyalaya is promoted by New Rajasthan Shikshan Sansthan to enhance the cause of co-educations. The Esteemed institute is established in 2015. However we always remember the words of Robert Frost:

- Er. Pyarelal Dhukia

Patronne's Message...

On one occasion Aristotle was asked "In what manner the educated people are different from these who are uneducated" As much said he, 'as the living are to the dead.' Believing in this New Rajasthan Shikshan Sansthan has taken up the challenge to educate people irrespective of their back ground.

In association with our families, we enable each student to develop all these attributes and skills for lifelong learning initiative and excellence, confidence and self-esteem, discipline and dedication, self-awareness and generosity of spirit, integrity and honesty, creativity and imagination and an understanding of their spirituality.

"Education is an ornament in prosperity and a refuge in adversity"

- Smt. Vinod Dhukia
